

## October 2021 Activities Unlimited Science Club Report

### Science Club –October 19, 2021 Meeting

The October AU Science Club meeting was held as a hybrid meeting at the Midland Park VFW. Eighteen club members attended live and five members attended via zoom.

Mark Bernhardt discussed the mechanism by which vaccines attack viruses including the process where side effects that can also result.

### Future Planning:

The next Science Club meeting will be on November 16<sup>th</sup>, at 10:30 at the Midland Park VFW. This will be a live meeting only.

Topic: Harry Bennett will give an update on Sustainability. Since his 2019 presentation this topic, global regulatory initiatives and consumer demands have changed significantly.

The December meeting will be on December 21<sup>st</sup> at the Midland Park VFW.

Topic: Murray Perl will discuss “The Science of Immunity and Vaccination “

The Club is always in need of Topics and/or Presenters. Please contact Jack or Harry to volunteer to present a topic or recommend a subject of interest.

Meeting Announcements are sent to Science Club members about 1 week before each meeting.

The Science Club is open to everyone who has an interest in Science and Technology—  
**ALL ARE INVITED!!** If you are not on the Science Club email list, please contact Harry Bennett
