2021 Year End Report

Date: December 22, 2021

December Meeting:

The December 21, 2021, meeting was held as a zoom meeting. The meeting was attended by 23 members. Murray Perl gave a highly informative presentation on The Science of Immunity and Vaccination.

An appeal was made for topics to be scheduled for 2022 meetings. Suggestions should be sent to: Jack Yurasek (201-337-4433) [Email--Jyurasek@aol.com](mailto:Jyurasek@aol.com) or Harry Bennett (201-803-1475) [Email-harben@optonline.net](mailto:harben@optonline.net)

Due to the recurrence of COVID variants, Science Club meetings will remain as hybrid meetings for at least January and February. **Discussion topics and zoom links will be sent out prior to the January 18, 2022, meeting to all on the Science Club e-mail list.**

Our email list will be updated in January. All SC members will be asked to verify their desire to remain on the e-mail list. Those who wish to join the Science Club should send their name and e-mail address to Harry Bennett (harben@optonline.net).

Year End Report:

The Science Club meets on the Third Tuesday of each month (except July and August) at 10:30 in the VFW Midland Park.

Despite COVID, The Science Club had an active year. Presentations included:

Harry Bennett, Quantum Mechanics
Harry Bennett, Sustainability
Jack Yurasek, Batteries
Marty Valerio, Mars
Mark Burnhardt, Virus update
Harry Bennett, Sustainability and Recycling Update
Murry Pearl, Science of Immunity and Vaccination

Copies of most of our presentations can be found on the Science Club Page of the AU website (activitiesunlimited.org)

A special thanks is extended to all members who contributed to an active year.

The Science Club e-mail list consists of 89 members. During the year 58 or 65% of our members attended at least 1 meeting (live or zoom). Editing of the e-mail list will take place in January. Please be sure to respond to the editing e-mail when it comes.
