

Date: September 16, 2021
To: AU Science Club Members

**AU Science Club Meeting for September 21 is cancelled.
Our next Science Club meeting will be a hybrid meeting on October 19th.**

October Meeting:

Our next meeting will be on Tuesday, October 19th, at 10:30 AM at the VFW in Midland Park. The meeting will be both live and a Zoom meeting.

A Zoom Meeting Invitation will be sent to all separately. **If you know of any members who would like to attend the meeting but have not received this email, please contact Harry Bennett (harben@optonline.net) to have their email address added to the Science Club mailing list.**

Marc Burnhardt will give a presentation on Virus Updates. His previous PPTs concerning the Virus were excellent. The Hybrid meeting will be at the Midland Park VFW.

November Meeting:

The November meeting will be on Tuesday, November 16. We are planning this to be a live meeting at the Midland Park VFW. Speakers are needed. If you would like to speak on a topic or know another guest speaker, please contact Harry or Jack (contact information below).

Future Meetings:

Curt Koster's discussion of Navigation is being put off until we can have a face to face meeting. He has several devices to show that can best be done live.

Lamont-Dougherty Open House

A live visit to Lamont-Dougherty is not available this year.
