Subject: Subjects and suggestions for February Computer Club meeting!

Don, I don't know if John will be back from Hilton Head! ..but here is what I recommend:

1. Printers, laser jet or ink jet!?

Best Laser jets ?

2. Home security systems,,I just put in SimpliSafe, for about \$500-600,,,plus full monitoring for 24.99/month! Work great so far! Easy install, I did it myself!

3. Google Chrome,,what are real and many benefits? How to switch from Safari??

Easy step by step, please!

4. How to set up a 2nd gmail account,,,without deleting the first original.

In other words, a second account to order from, or search sites.

Need step by step! Please!

5. Y tube TV,,,how does it work? How to set up while having Optimum, what do you get?

What do you lose?

6. And my FAVORITE,,,HOW CAN I GET THE ROSTER ON MY IPHONE,??

Either. Names or with photos! So far failure! HELP! SVP!
