

Google Results about you

How to use the Results about you tool:

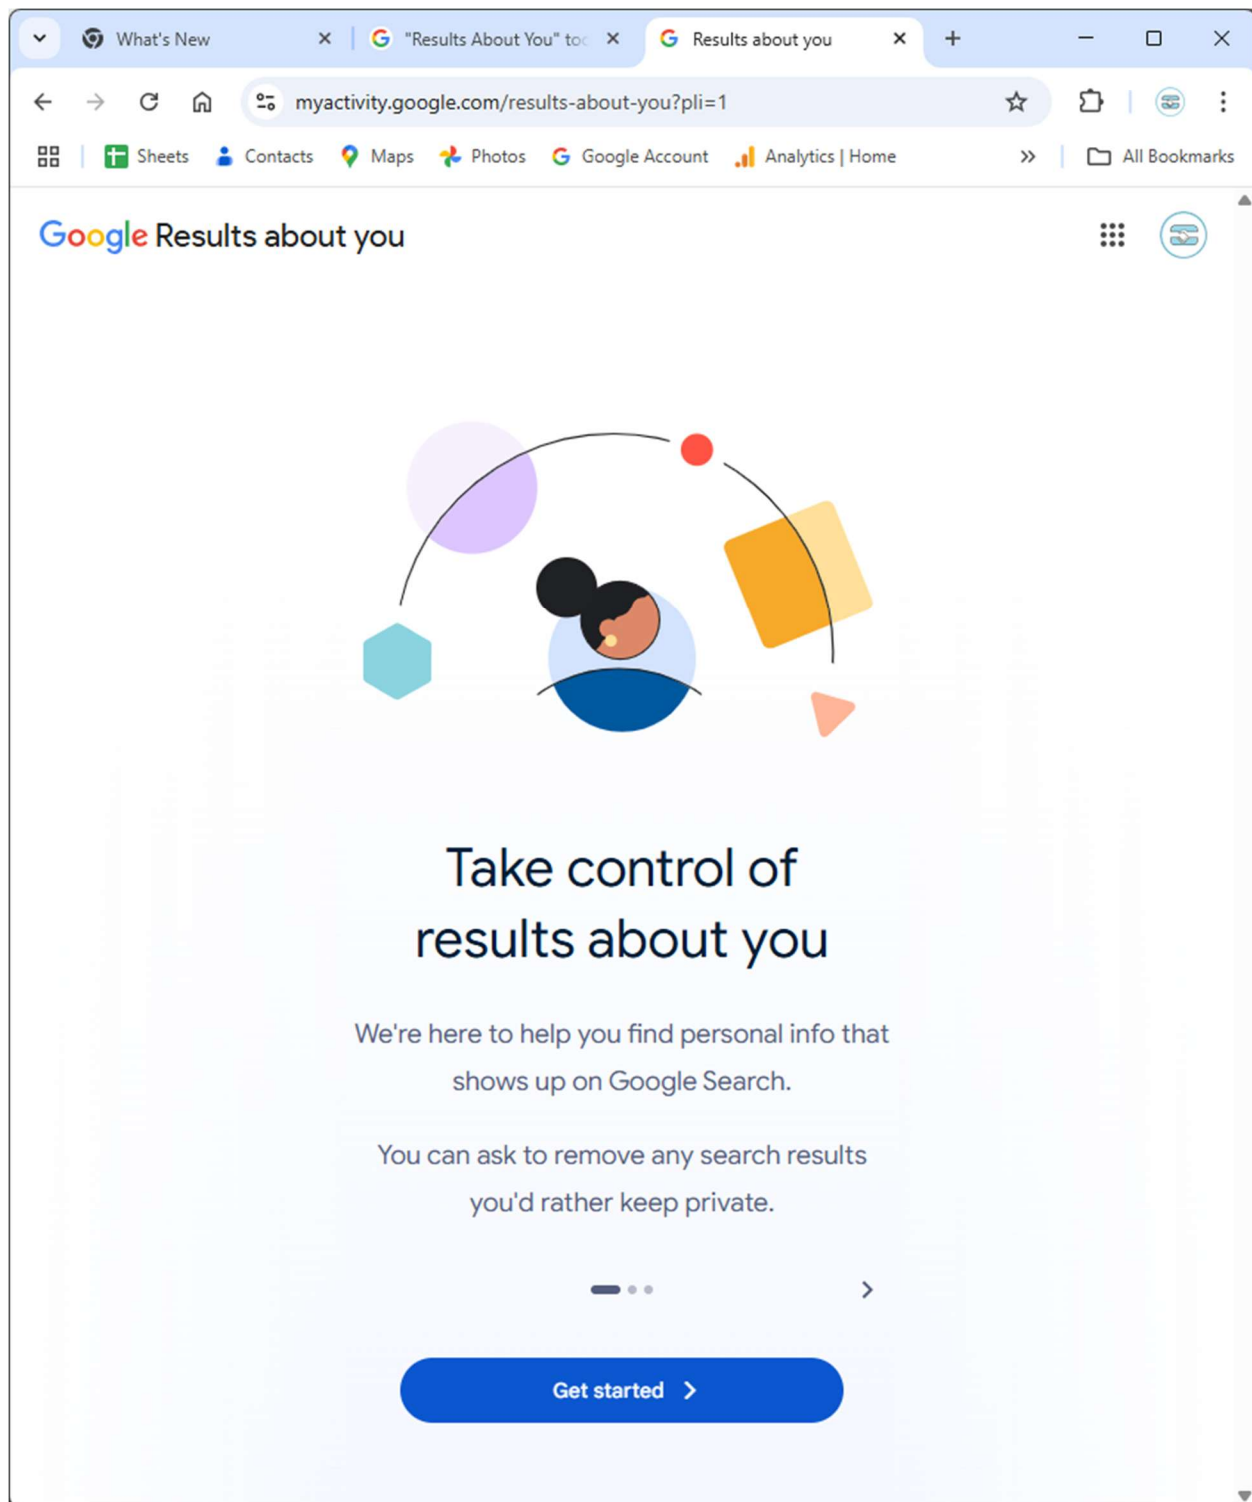

1. **Access the tool:** You can find it in your Google Account under Data & Privacy, or through the Google app.
2. **Add your personal information:** Enter your name and the contact information you want to monitor.
3. **Set up notifications:** You can receive notifications when results with your information are found.
4. **Request removal:** If results are found, you can request their removal from Google Search.

Key features of the Results about you tool:

- **Proactive monitoring:** Google can actively scan search results for your personal information.
- **Notifications:** You'll be notified when results with your information are found.
- **Removal requests:** You can request the removal of results that violate your privacy.
- **Outdated content:** You can request that Google refresh outdated content in search results.

Where to find the Results about you tool:

- **In the Google app:** Click your Google Account photo and select "Results about you".
- **On mobile web or desktop:** Go to myactivity.google.com/results-about-you.
- **In your Google Account:** Go to your Google Account, then Data & Privacy, and then My Activity.

Scandinavia

The Scandinavian Specialist since 1973

- Building fine collections for exhibition, research, and enjoyment. Offering approvals from your specific want list or a description of your specialized interests.
- Complete private treaty services for your Scandinavian material.
- Active buyer of complete collections or individual items. High prices paid. Avoid the delays and uncertainty of auctions. I have many customers for your good material.
- Providing over 400 titles of philatelic literature and catalogs for the Scandinavian collector.
