**Things to know about Google Chrome Internet Browser**

Launch Google **Chrome** to :

- Search for information or Internet websites
- Visit a website
- Use email
- Use Google APPs

URL

An address to locate and visit a website. For the AU main page on our website use the URL https://activitiesunlimited.org/ . When the URL is underlined you should be able to click or tap it to invoke your default internet browser. If **Chrome** has been sent as the default browser, then it will open the AU webpage.

If the URL is not known, then searching for it can also be done with **Chrome**.

enter a URL in one of these boxes
