

Activities Unlimited General Meeting May 12, 2015

Our guest speaker for the May AU General Meeting will be none other than comedian **UNCLE FLOYD**. Uncle Floyd Vivino has done many things in his long career in show business. He had a TV show for 24 years, and a radio show for 26 years. Today Floyd works primarily as a stand-up comedian and he is as funny as anyone out there. More importantly, Floyd adjusts his material to fit the occasion. That's why Floyd is in high demand. Uncle Floyd is the perfect choice when you don't want to offend the audience. Young or old, rich or poor, from every ethnic background, all kinds of people laugh at Floyd's comedy. So, please bring the lady of your choice (your wife, of course) to this meeting, and let's make this a party atmosphere.

RAMON'S REFLECTIONS

Spring has sprung, May is finally here and with it we welcome back our many AU snowbirds who were fortunate to escape our long and cold winter. It is good to see their well tanned faces again.

May always brings with it a happy time for us sports enthusiasts, with the Kentucky Derby and Indy 500 car races, but on a more reflective note, it is also a time to honor our fallen military heroes on Memorial Day.

In May we also celebrate one of our country's most prominent holidays when, on the 2nd Sunday, we honor our mother's, for all they have done and endured. Happy Mother's Day Mom.

No May Luncheon this year; it will take place June 9th at the newly refurbished Indian Trail Club, Franklin Lakes, N.J.

Happy Trails: It's an inspirational story that is part of American History, so that it's ideally suited to the times we live in, as an elixir for all that ails us.

PROJECT OUTREACH FOOD PANTRY

Due to various events including injury our membership has declined to the point that we could use an infusion of new blood. Your invested time would be only 1-1/2 hours approximately every two months. It is a most rewarding undertaking as your efforts will benefit the Northside Food Pantry in Paterson through the auspices of our sponsor the Wyckoff Reformed Church (WRC). Your participation will consist of either numbering and storing full grocery bags or helping to load foodstuffs onto shelves when the monthly truck delivery arrives. Both actions take place on a Thursday every two months or so. There will be a sign-up sheet in the rear of Heneveld hall before, during and after our May 12th monthly general meeting or just email me at: mmbmcg@optonline.net. Please consider coming onboard.

AU Spring Luncheon

This year the Spring Luncheon will be held on June 9, 2015. We are again returning to the Indian Trails Club in Franklin Lakes, New Jersey. We have previously held the luncheon in May, but extensive renovations at the club necessitated rescheduling to June. The lower level dining area has been raised to be level with the old dining area. Which has been converted to a lounging area with the bar as it's focal point. The new dining area provides panoramic views of the lake and has a new dance floor and band stand..

The cost is \$24 per person (the same as last year) with spouses and/or guests welcome. The AU guys will be playing for your enjoyment and dancing pleasure. This is a wonderful opportunity to socialize with friends and make new acquaintances. There will be open seating (no reservations in advance) or you can make your own seating arrangements with other members.

Doors will be open at 12:00 noon and a buffet lunch served at 12:30 at both ends of the new dining area. Please sign up well in advance of June 9th, so we can plan the buffet and number of tables required.

Checks for \$24 per person should be made payable to Activities Unlimited and sent directly to: Ed Chanod, 29 Vanderbeck Lane, Mahwah, NJ 07430. (201) 891-1995

AARP Defensive Driving Course

Monday, June 22, 2015 -- AARP Defensive Driver Course to be held at WRC, starting at 9:15 AM. Completion of this 6 hour course can reduce traffic violation points and may offer 5% discount from your insurance premium.

Class is limited to 40 (lunch will be provided along with water, coffee and cake or bring your own lunch.)

Checks for \$16.00 per person should be made payable to Activities Unlimited and sent directly to: Dick Botta, 413-D Bromley Place, Wyckoff, NJ 07481 (201) 848-9001

AU SKIING 2015

Our season began in January with weekly trips to Belleayre Mountain Ski Center located in the Catskill Mountains; approximately two hours driving time. The area is operated by the State of New York. Excellent snow making and grooming allows us to negotiate all terrain including the expert trails and slopes. Senior lift prices remained at a reasonable rate.

Extreme cold weather allowed us to make only 4 trips with 10 skiers compiling a total of 16 skier days. Plans to again attend the annual outing held by the 70+ Ski Club and hosted by Hunter Mt. in the Catskills on the first Wednesday in March had to be dropped due to snow covered driveways and roads in New Jersey and flat light conditions at the area; a problem for all we senior skiers. We will plan to return for the event next season.

In addition to our weekly trips, 10 of our members traveled on skiing vacations adding an additional 54+ skier days. Areas visited included Jiminy Peak, MA, Bromley, VT, Okemo, VT, Breckenridge, CO, Mt. Bachelor, OR, Park City, UT, Alta, UT, Brighton, UT, Deer Valley, UT, Sunday River, ME, Mt. Peter, NJ, Windham, NY, Hunter Mt., NY, and Mountain Creek, NJ. This brought us to a total of 70+ skier days for the season.

This was a difficult season to plan due to the snow in NJ hampering travel and extreme cold/windy days making it unwise to venture to the slopes. Despite our planning problems, our number increased with the addition of two new members. No major injuries added to our success. We continue to conquer the groomed black diamonds with skill and confidence.

We look forward to the 2016 Ski season. All members and new members of AU are welcome to join our activity.

The Science Club

Thanks to **Al Coldon**, who has been a Counselor at Hackensack Med Center for many years, for his important talk about Prostate Health.

S/C meetings are scheduled for the 3rd Tues of the month (the week after the General Meeting), at 10:00 AM, on the 3rd floor or in the Main Hall.

Future meeting are:

May 19—Bob Talan—Higgs Boson. Bob will review the background of Particle Physics leading to the recent/ imminent discovery of the Higgs Boson.

June 16 --Dr. Kissin, who is an orthopedic surgeon at Hackensack Hospital, will speak on 'conditions of the knee'. Family and friends are welcome.

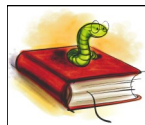

Thanks to those who have helped in our efforts to obtain new speakers for the Science Club. No meetings are scheduled for July and August, but plans for the fall are continuing. Suggestions are always welcome, with Walt Widmer speaking on 'Infectious Diseases' and Dr. Cauchard returning to update us on 'Eye Health'. Note that Bob Talan and Ed Schlachman are Co-Chairmen of the club—with a third Co-chairman still desired. The tasks involved in operation of the club are: Conducting the Meetings, A/V support, WRC Contacts, planning and coordinating possible Car Pool/Bus day trips and, **THIS IS THE MOST IMPORTANT TASK---** People who would contact or volunteer as possible Presenter's. Please review the tasks and consider volunteering for a task you might be comfortable with, either now or in the future.

Please contact me with your NAME, Phone No., and Email Address:

Thanks again--**Jack Yurasek**, 201-337-4433

Books for May:

- * GUANTANAMO DIARY - Mohamedou Ould Slahi
- * A THOUSAND SPLENDID SUNS - Khaled Hosseini
- * THE STORY OF THE HUMAN BODY - Daniel Lieberman

The Book Club

OVER TIME (Frank DeFord) recommended by **Vince Tortorelli**, is the author's memoir. He talks about his career at Sports Illustrated and NPR, his role in the old Miller Lite commercials, and relates stories about people like Arthur Ashe, a close friend, Jimmy "The Greek" Snyder, Bill Bradley, and many others. DeFord also pays homage to some of the great sports writers of the past, especially Grantland Rice. His writing is easy to read, literate and intelligent.....THE LAST CAMPAIGN (Zachary Karabell) recommended by **Joe Clinton**, describes the 1948 presidential campaign where Harry Truman pulled a big upset over Tom Dewey, the Republican candidate. There were two other significant candidates: Henry Wallace, of the Progressive Party, and Strom Thurmond, the States Rights candidate. The title refers to the fact that this was the last campaign before TV began playing a major role in elections. The book gives in depth profiles of the candidates, the challenges they faced, and their campaign strategies. Very well written, excellent analysis.....ONE NATION (Ben Carson) introduced by **Walter Widmer**, gives the author's political manifesto, heavily influenced by his strong religious background. His main beefs are with political correctness, Obamacare, and what he sees as the heavy influence of Chicago-based political activist and community organizer Saul Alinsky ("Rules for Radicals") on the Far Left movement. Most members thought some of his ideas were common sense, and other ideas simplistic. If you want to get the measure of the man, this is book would be a good choice.

Books for June:

- * ISLAND IN THE CENTER OF THE WORLD - Russell Shorto
- * THE CHARMER - Richard Muti
- * PERSONAL REFLECTIONS OF AN HISTORIAN - Stephen Ambrose

Our next meeting will be May 13 at the Larkin House (380 Godwin Ave, Wyckoff). New members are always welcome.

PROJECT OUTREACH HABITAT FOR HUMANITY

Another charitable endeavor we are trying out is volunteer work for Habit for Humanity both for Bergen County and Paterson, NJ. While Bergen County is not building at this time the Paterson HofH chapter is building dwellings for the under privileged and it is Paterson we would be focusing on at this time. A typical day would go thusly: Arrive at the Paterson Habitat office (146 North 1st Street) between 7:45 and 8 AM. Day starts at 8:00 AM and ends between 2:00 and 2:30 PM. At the office you will be asked to sign a Waiver of Liability form. **NO EXPERIENCE REQUIRED.** Each volunteer will be asked to do whatever is required that day. You may be handling a hammer, power saw, broom or shovel.

There is a coffee break around 10:00 AM. You can bring a brown bag lunch and a beverage or buy lunch nearby. Wear old clothes. Must have closed toe shoes or sneakers, preferably with thick soles.

I know these guidelines sound like you are going back to work full-time but you can show up any Tuesday, Wednesday or Thursday that you might be available. There is no long term commitment. Some of you have responded to an earlier notification before the above details became known. If there is further interest there will be a sign-up sheet at Heneveld Hall for our May 12th general meeting or you can email me at mmbmcg@optonline.net. This is an opportunity to assist in building living quarters for those in dire need. If you are like me you have heard about Habit for Humanity and all the good they do for many years and perhaps have had an inclination to investigate it further.....well, here is that chance.....as they say, "try it you might just like it". **Marty McGonigle**

Computer Technology Club – April 15, 2015 Meeting

There were 20 AU Members in attendance at the Wednesday, April 15, 2015 meeting of the Computer Technology Club which included one new member ... the attendance was lower than normal as there was a conflict with the AU Book Club. The general topics for the meeting were a review of Gmail and Outlook including answering several questions from the March 2015 Meeting plus a look at Power Point.

The meeting kicked off with our new technology section ... this month we reviewed the Microsoft Band Microsoft's answer to the Apple Watch and several of the Fit type of devices out in the market place. Click the following link <https://www.youtube.com/watch?v=CEvjulEJH9w> for a look at some of the uses for the Microsoft Band. Next we reviewed the downloading of pictures from your camera and cell phone and from Outlook plus off of Facebook into your Picture Folder on your computer. Next we reviewed some items on Gmail as well as Outlook ... this included a look at how to setup a distribution list so that you can send out an email to a group of people without showing all the email addresses. We concluded with a look at the creation of a Power Point presentation. At the conclusion of the meeting there were a number of suggestions regarding topics for our next meeting plus there was a lot of interest generated by the presentation on the Microsoft Band ... several of them tied into the use of technology in medicine.

Thus, I have decided that next month's meeting will be on the use of technology in medicine. This presentation will cover some additional discussion on the Microsoft Band as I now will have used the device for a month and should have some interesting statistics and observations available. Also, we will explore a number of items from a book that I am reading entitled "**The patient will see you now**" by Eric Topol. Also, included will be information on many other uses of technology within medicine pulled from my last 23 years of work that was selling Electronic Medical Records software to physicians and Hospitals ... and we will include some items from my son who has worked in the medical device field for the past 25 years. He recently brought to market a new product from Haemonetics.

Also, keep in mind that the list of potential topics for future meetings is out on the AU Web-site on the Computer Technology Page. Thus all CTC members should review the list and come-up with some areas that they would like to see presented in the next three (3) months. Also, at our meeting in October 2014 we agreed to a format of our future meetings that included a section for the main topic, a section for current technology and a section for questions/answers. Therefore, the CTC Members should think about current technology questions that could also be reviewed at future meetings.

Thanks, I look forward to our next monthly meeting which will be held on Wednesday, May 20, 2015 at 10AM. I hope to see a good turn-out for this meeting. **Donald A. Kirkpatrick (201-759-3795) or dakirkpt@verizon.net**

New AU History Club

The Purpose and Objectives of the new club are: Presentation, discussion and dialogue of the discovered histories of the human events, ancient and modern times. In essence, it will be world history and we will be presenting the fascinating and extraordinary events that happened in a given country or nation in the world. The topics that will be presented will encompass all branches of history; political, war and peace, economy, social and cultural, science and academics, life and times of men/women who shaped the history of the world, etc.

To get the history club going, I am volunteering to do the first three presentations. First, topic of the presentation will be The Philippine-American War, 1899-1902, better known as the Philippine Insurrections. This was a brutal, nasty and very costly war in terms of loss of human lives and destruction of property. This event propelled America as a world power and the fulfillment of some of our politician's imperial dream. To some extent, this is a close chapter in our history. This presentation will be on Monday, June 22, 2015, 1-2 PM in the rear of Heneveld Hall. The second and third presentations are The Life and Times of General Douglas MacArthur and World War II-Bataan Death March on July 27 and August 24, 2015 respectively.

Those of you who are interested in history and had not sign up during our last meeting, I urge you to join us. Contact **Pablo Catangay** at: 201-684-1217 or email pcatangay@optonline.net.
