

Activities Unlimited General Meeting October 11, 2016

Our annual breakfast meeting will be held at 9am at the Brick House (179 Godwin Ave. Wyckoff), the breakfast is for members only.

Our feature speakers are from "Reliable Companion Care," who will make a presentation on "Options for Living as we Age" and decisions we will need to make as we grow older.

The cost is \$11pp. Send your check to **Jim Webb**: 970 Pines Terrace Franklin Lakes, NJ 07417. The breakfast takes the place of the regular October afternoon meeting.

Note from the President

In September, Activities Unlimited (AU) participated, for the first time, in three local Town Days. The reason for doing this was to make the residents of these towns aware of AU and it's benefits. The expectation was increase our membership, and we did. So, I would like to recognize the three key members who ran these events: **Bob Dauer** (Ramsey), **Marty McGonigle** (Mahwah), and **Joe Pullaro** (Franklin Lakes). They put together AU teams to work the booths, while all three stayed the entire day to insure that everything ran properly. I would sincerely like to thank you and your teams for a job well done.

On another note, I thought you might like to know the age breakdown of our members: 50 between 60-69; 153 between 70-79; 140 between 80-89; and 28 between 90-89. We have one member who will be 104 years old next month.

The AU Nominating Committee consisting of **Marty McGonigle**, **Mike Hurd**, **Fred Theile**, **Dick Hensch**, and **Wes Cheringal** are busy compiling names of candidates for next year's AU Executive Board. Please feel free make your suggestions known to this committee.

Thanks you all for your continued support.

George Lewis, President

Membership Dues

Membership dues, \$50.00, for 2017 are due no later than **December 31, 2016.**

Please send your check for \$50.00 payable to "Activities Unlimited" to:

The Computer Technology Club

September 21, 2016 Meeting

There were about 25 AU Members in attendance at the Wednesday, September 21, 2016 meeting of the Computer Technology Club. The meeting topics included a variety of items with a highlight being a Presentation on Cash Flow Forecasting and the use of Quicken Personal Financial Software. The meeting kicked off with a look at my Nokia Lumia Icon running Windows 10 (recently updated from Windows 8.1. Next we viewed several videos, the first was on "home Mesh Networks" a easy way to improve your Internet signal in the home. Next we viewed three videos that included "Everykey" a password manager plus, A "Magic Cable" that facilitates charging your mobile device and lastly "Onago" a new and smaller Drone Device that takes pictures and videos as you are out and about IE: hiking, etc. We then looked at a video on a new temperature controlled jacket (controlled from your Smart Phone.

Then we looked at several items included on AU's Web-site, new items added to the Computer Page Reference section and to the Helpful Tips section. We also, explored several other sections of the AU Web-Site including "the Favorite Web-Sites and linking to Facebook. Also, we looked at the new Photography Page where member's pictures will be displayed. We then reviewed how to download videos from Facebook. Also, we reviewed several ways to create PDF Files specifically reviewed various options to save a web-page. This included a review of a product that is part of Microsoft's Windows 10 Browser "Edge" this is their product called Web-Notes. This product is very useful in saving and manipulating an Internet Web-Screen so that you can save it and send it to someone with notes, etc. imbedded in the document being saved.

We then reviewed the top 10 Personal Financial Software programs available for 2016 ... this included Quicken Premier which we reviewed a brief video on and then explored a demonstration of Quicken Premier utilizing live data. Also, included was a review of how to create and use a Cash Flow Forecasting spreadsheet. In Quicken we reviewed the following Custom Home Screen, use of the Calendar, Reports, Bill Pay, Investing and the Emergency Record. One area we missed that is very useful is the Retirement Planning tool ... this tool facilitates a very easy way to plan out your forecasted dollar needs throughout your retirement plus it allows you to run the plan whenever you want to make sure you are staying on plan. As a point of interest I run my plan monthly to make sure I will have enough dollars to last the full length of my plan.

As with other items we discuss at our CTC Meetings all key items discussed are posted to the AU Web-Site on the Computer Technology Page (reference section)

I would like all to think about future topics as we need to pin down our topics for our meetings through the end of the year. I received several topics but could use more please send your thoughts to me by email.

The October meeting will be held on Wednesday, October 19, 2016 at 10AM. The topic has not been determined ... once I pin down the topics I will send out the agenda for this meeting.

Donald A. Kirkpatrick (201-759-3795) or dakirkpt@verizon.net

The Golf Club

The annual golf match between the Ramsey Duffers was played on September 27, at Wallkill Golf Course. This was our fifth event, initiated in 2012. Our warriors, tried as they did, could not overcome the superiority of the Duffers and lost eight-one-zero. A splendid dinner followed with the determination of our team to retake the trophy in next years contest.

Public Discussion Group

Public Discussion Meeting, September 14, 2016

Our members enjoyed another lively and informative discussion at the monthly meeting. Our first topic dealt with the Kaepernick controversy, pitting his 1st Amendment right not to stand for the National Anthem against the weight of tradition and patriotic symbolism. Most felt it was wrong to use a football game to make his point, but that he had a right to do it. The next topic was Alzheimer's Disease. It was a moving discussion as members shared personal experiences about the devastating impact it has on families. The final topic concerned how to deal with Isis. Views ranged widely from banning Muslim immigration to the role of Saudi Arabia in fomenting extremism. We ended with little consensus about the best way forward. The next meeting will be at Larkin House on Wednesday, October 12th at 9:30 am. The topics are: "Poverty;" and the "Debate Results." All members are welcome to attend.

As always, all club chairmen are reminded that if you have any activity in the church including parking in the church lot and/or loading a tour bus to please check with Sue (and the church calendar) for any conflicts *before* arrangements are made.

Investment Study Group

At our October meeting, Ryan Groves will present RetirementInvestor.com. It is a web based investment asset management product. It offers a selection of Exchange Traded Funds in portfolios designed to meet your goals and risk tolerance. The system suggests what you should buy or sell via your own brokerage account. It's a way for you to get a high level of attention for less time and money than many other alternatives.
