Pandemics Then and Now

Presented by **Murray Perl**

Murray Perl, a current AU member, is going to deliver a program covering the history of the 1918 pandemic, the lessons learned, and compare it to our current Covid-19 pandemic.

Many of you are familiar with Murray. He has given a number of presentations at AU General Meetings and other clubs.

Murray is the Co-chairman of the Photography Club. He is very knowledgeable and an excellent presenter.

This is as relevant and current a topic as you can get. So please don't miss it.

Also:
We don't want to forget our audience. If there are topics, speakers, presenters, etc. that you would like to see and hear at a General Meeting, feel free to email any suggestions to me.

NOTE FROM THE PRESIDENT

Well, Fall is here. The leaves are turning color and falling, the days are getting colder and we are spending more time inside. Given this situation, it is a good opportunity to join our clubs' zoom meetings.

Bring a potential member along and show him how a zoom meeting is held. We are always looking for new members.

As you may know, we have had to cancel our October Breakfast with the Brick House. They were not offering breakfast service, but would offer a sit down lunch at a significant increase in cost since it would be table service (no buffet) with social distancing.

We have also cancelled our Christmas Party at Seasons and moved our deposit into 2021. The restrictions under which we would conduct this evening event would diminish its enjoyment.

We are now firming up a reasonably priced sitdown Christmas Luncheon at the Indian Trail Club. They can accommodate 130 people with social distancing and meet all the state's requirements. The date for the affair is currently planned for December 2nd.

Finally, I am sad to report the passing of **Marty McGonigle**, past AU President and Chairman of Project Outreach. He will be greatly missed.

Obituary

Activities Unlimited is sad to announce that **Marty McGonigle** passed away on Monday, September 21, 2020. We have lost a major contributor to our Club. He served as President in 2011. He was the Captain of our golf team and was the driving force behind AU's participation in the Wyckoff Reformed Church Project Outreach.

Although his AU accomplishments are many, he will always be remembered for his warm heart, out-going personality and deep concern for people. He was a truly outstanding member and will long be remembered.
