Tuesday, September 8, 2020  
1:00 PM via ZOOM**

Medicare: Avoiding Costly Mistakes

**Will O'Hara and John O'Hara**

Will and John's father began working in the Medicare market nearly 30 years ago, and thus his kids were exposed from early on how the industry worked. After their father faced serious health issues a few years ago, Will and John found themselves home and discussing the Medicare industry. The idea was born, and they decided to leave their positions and start a new agency. Since 2017 their agency, NJ Life and Health Insurance Group, has focused on client education and understanding, providing an unbiased and research driven approach to effectively working with the Medicare industry and its supplemental policies. They have presented to numerous groups, clubs, and community centers across the state and have amassed thousands of satisfied clients over the short time since the business began.

**Will O'Hara** - 29 years old, graduate of Northeastern University (Finance and Accounting). Will has worked at UBS, Goldman Sachs, and Credit Suisse.

**John O'Hara** - 27 years old, Stockton University (Biochemistry). John was an 8th grade science teacher, before moving to Jackson Lab, a cancer research facility in Maine.

Their topic is very relevant for all of us. Please make sure to join us.

**Mark Cohen**

## NOTE FROM THE PRESIDENT

Well, the summer is approaching its conclusion. I hope you all enjoyed this hot summer; particularly, since we had to live with all the pandemic restrictions.

In this note, I would like to update you with what is going on with Activities Unlimited.

We have been told by the Wyckoff Reformed Church (our sponsor) that they will begin conducting their Nursery School in the Administration Building starting in September. Under the current State restrictions, access to the building will be limited to students and teachers only for the foreseeable future. That means that AU will not be holding meetings of any sort there until (we assume) at least January of 2021. In addition, we have received no feedback from Wyckoff on the use of the Larkin House or from Franklin Lakes on the use of the Ambulance Corp Building. Therefore, we will be continuing with Zoom Club Meetings. I know this is disappointing to all of us, since we miss the personal interchange which builds friendships we get when we attend meetings.

I believe you all know that we have cancelled the September Luncheon since the Indian Trail Club could not provide an outdoor facility and the possible alternate, Savini's, became far too costly. At the time of writing this note, we are still attempting to determine if we will have an outdoor October Breakfast at the Brick House. In fact, we are reviewing whether to move it up into late September in hope of better weather. Finally, we have cancelled our Christmas Party at Seasons for 2020 due to the level of restrictions we would expect that we would have to follow. The result would be that it would not be the customary affair we have come to expect. In lieu of this, we are looking at a possible Christmas sitdown luncheon at another location. As soon as we have details, we will communicate them to you.

I wish I had better news. Let's pray that 2021 is a better year.

**Bob Dauer**  
President
